Patriot Day – September 11, 2022

Patriot Day is an annual observance on September 11 to remember those who were injured or died during the terrorist attacks in the United States on September 11, 2001. Many Americans refer to Patriot Day as 9/11 or September 11.

Is Patriot Day a Public Holiday?

This is not a public holiday. Government and public offices, businesses, and schools are not closed on this day but may hold special events and outreach programs to commemorate the annual observance.

Observe Patriot Day

On the direction of the President, the flag of the United States of America should be displayed on the homes of Americans, the White House and all United States government buildings in the whole world. The flag should be flown at half-staff as a mark of respect to those who died on September 11, 2001. Many people observe a moment of silence at 8:46 AM (Eastern Daylight Time). This marks the time that the first plane flew into the World Trade Center. Some communities, particularly in the areas directly affected by the attacks, hold special church services or prayer meetings. People who personally experienced the events in 2001 or lost loved ones in them, may lay flowers or visit memorials.

Patriot Day remembers those who lost their lives during the 2001 terrorist attacks in the United States.

Public Life

Patriot Day is not a federal holiday and schools and businesses do not close. Public transit systems run on their regular schedules. Some people and organizations may take some time out to hold prayers for the victims of the attacks, but these do not usually affect public life for more than a few minutes.

About Patriot Day

On September 11, 2001, four planes were hijacked. The hijackers then deliberately flew three of the planes into two important buildings, the Pentagon in Washington DC and the Twin Towers of the World Trade Center in New York. The fourth crashed into a field near Shanksville, Pennsylvania. The loss of life and damage that these hijackings caused form the biggest act of terrorism ever on United States soil. Nearly 3000 people died in the attacks and the economic impact was immense.

The attacks have greatly increased attention to national security in the United States. This has had huge implications for United States national and international politics. This is particularly true for the relationships between the United States and Islamic countries in the Middle East.

Symbols

The most potent symbol of the events that happened on September 11, 2001 are pictures and videos of planes flying into buildings, of the Twin Towers of the World Trade Center engulfed in smoke and later collapsing and of people falling from buildings. Pictures taken of damaged buildings and relatives looking for loved ones in the days and weeks after the attacks are also often shown. The flag of the United States is often displayed around images of the events on September 11, 2001. This is to remind Americans that their country remained strong in the face of massive terrorist attacks.

Patriot Day should not be confused with Patriot's Day, also known as Patriots Day, which commemorates the battles of Lexington and Concord in 1775, which were two of the earliest battles in the American Revolutionary War.

Now back to the regularly scheduled newsletter.

CoxHealth Auxiliary Car Show – September 24, 2022

The CoxHealth Auxiliary is sponsoring a car show on September 24. In the past (before Covid), the auxiliary had demonstrated how to manage a car event. So, I would not expect anything less in 2022.

The show is only one fundraiser led by the Auxiliary, which has existed since 1949. The group of around 1,200 individuals is dedicated to promoting and advancing CoxHealth, its mission, its staff and its programs. It works to raise money for a variety of projects including CoxHealth equipment and products, tuition for nursing students at Cox College, the health system's Child Life program and the C.A.R.E. Mobile.

Today, Auxilians serve in more than 100 areas of our hospitals and clinics, and at community events. They are led by a board of directors who serve in elected and appointed positions.

If we have 10 or more cars, CoxHealth will put our club's name on the back of the T-Shirts and we will have reserved parking area. Larry did collect the entries at the July meeting so they can be turned in by August 1.

Registration form is attached in photo gallery as well as the information flier that outlines the proceeds benefit for A-fib (Atrial Fibrillation).

Andy's Makes Us Cry

Andy's Makes Us Cry

The newest Andy's Frozen Custard location is now open! Andy's has a new midtown Springfield spot at National Avenue and Elm Street, on the corner formerly occupied by the beloved National Art Shop. You might remember the block letters spelling "NATIONAL" rising above the National Art Shop building. They gave it its iconic retro look.

Well, Andy's has incorporated that into the new building as a nod to the shop that we loved so much. The word "Andy's" is in a similar style, and one of the actual National Art Shop "N"s hangs on the outside wall above a photo of the art store.

Stop it... We're not crying, you're crying. Really though, we love this sentimental detail so much. The new spot is walkable to Missouri State's campus and super-convenient to anyone driving down National. Pay it a visit and get your hands on a classic Ozarks Turtle.

CLASSIC CHEVY CLUB OF SPRINGFIELD

November 10, 1983

The October meeting of the Classic Chevy Club of Springfield was held at Ron Manley's garage at Forayth with Ron Manley presiding. Eight members were present for roll call.

Wendell Royster reported a balance of \$1,381.00 in the treasury.

New Business

Ron gave information on upcoming events:

The motion was made and passed to schedule the Fun Run June 29-July 1 at the park at Forayth. The show will include street rods and nostalgia vehicles as well as classic chevys. Avery suggested the number of trophies for the classica be reduced. It was decided that if the club builds a motor to sell chances on, the expense should be kept below \$500.00. A suggestion to sell the chances on a Suzuki mini-bike was tabled for a later date.

The club voted not to collect CCA points this year. Greg made a motion to hold a rummage sale at his barn in Springfield this spring if the club needs extra money for the Fun Run.

Martha asked that she be allowed to cancel the Christmas banquet at the Heritage and reschedule it at Tiny's Barbecue at Kansas & Kearney. Motion passed.

Jan suggested that we help a needy family at Christmas again this year. Each member should contribute at least \$2.00 in either cash or canned goods.

Meeting adjourned.
