Cruisin' USA

On Saturday October 20, over a dozen car club members and friends cruised into Cruisin' USA in Nixa for good conversation and good eats. Walt Kruger, Jess & Glenna Tomlin, Dennis & Norma Taube, Jim & Donna Meyer, Jess & Melinda Owen, and Yvonna Davis & Dave Walters all made an appearance. Many friends of the club were there, too. New members Donnie & Judy Strickland were in attendance, too.

Arkansas Bar-B-Cruise

At a recent car show we met a gentleman who has developed a website that lists many of the car show events in Arkansas. (Much like the Ozark Car Events website). If you wanted to receive a link to the website, he needs your email address. I notified the gentleman and gave him the members who filled out a sign-up sheet at the club meeting on October 22. I will let you know when the link is available.

The Branson Auction

Dave Walters and Yvonna Davis attended the October 19 auction. Always a good time trying to guess the prices and for people watching.

Here is link to Branson Auction results. Copy link to your browser.

<http://bransonauction.com/current-consignments/>.

The home page shows a 2019 date but the results are current.

Use the filters to search for make and year. Or just scroll down and see all the show results. If the results don't show sold, it means it didn't sell. It might show a high bid, though.

Happy reviewing

Persimmons Day

From Facebook:

Chilly mornings and brightly-colored fall leaves typically mean one thing in Sparta: It's time for Persimmon Days. An annual tradition for more than 20 years, the town gathers on the main drag on state Route 14 for craft booths, food vendors, entertainment, parades, a children's costume contest and more. But the event isn't just for Sparta residents — it's a great festival for people across the Ozarks looking for some fall fun.

2018 was the first annual car show event hosted by Persimmons Day.

Norma & Dennis Taube, Helen & Larry Fortner, Jim & Donna Meyer, Melinda & Jess Owen, Yvonna Davis, and Dave Walters attended.

Helen & Larry Fortner and Donna & Jim Meyer were awarded 3rd and 2nd place plaques respectively. Melinda and Jess Owen went home with the Best of Show award.

Ride for Hope

The attendees at the Persimmons Day Car Show were approached by a young man who was setting up an annual Ride for Hope and Car Show next May 18, 2019. The car show and escorted bike ride will help support disabled veterans. The event is sponsored in conjunction with Peterson Outdoors Ministries. This organization provides outdoor recreational therapy for injured and recovering veterans and their families as well as youth and adults with disabilities or serious illness. See Peterson Outdoor Ministries on the web for more information. A couple of show flyers are in the Flyer section. Contact Ian Sparks at (417) 755-0511.

Melinda Owen and Dave Walters are developing a website for the Classic Chevy Club. The website will center on the membership, events, and member's cars. We hope that this approach will allow us to grow the club membership, maintain current traditions, and to use technology to assist us with improving communication to current and future members.

Our website developing company is currently WiX.com. WiX.com is rated in the top five of hosts. Some website development analysts rank WiX as top in the business. We chose WiX because of the company's high rating, reasonable costs, security, and service. Also, WiX allows us to develop the website for no cost. Once we establish a domain name (URL), sign up for WiX to host our site and review the need for other applications, our cost will be below \$200.00 annually. The plan has been approved.

Our plan for the website includes a Home Page with links to other pages such as events, car show flyers, newsletters, photo albums, and member only information.

We will continue to publish monthly newsletters and reminder notifications.

Crosslines Toystore Route 66 Cruise

Crosslines Toystore is sponsoring a Route 66 cruise from Springfield to Fair Grove. The article below outlines the details on Sunday, November 4.

Cruisin' the Coast

From the Cruisin' the Coast Website

Welcome to America's Largest Block Party. Cruisin' The Coast® began in 1996 as a festival to celebrate antique, classic and hot rod vehicles, nostalgic music and related events. 374 vehicles registered that first year and in 2017 we had 8,308 registered vehicles. Car enthusiasts from 40 states plus Canada, Germany and Puerto Rico arrive on the Mississippi Gulf Coast once a year to showcase their rides and to cruise our beautiful 30-mile stretch of beach-side highway with designated stops in Bay St. Louis, Biloxi, D'Iberville, Gulfport, Pass Christian, Ocean Springs and Pascagoula. Each venue is set up as a mini festival with a stage for live bands, reserved parking for registered cruisers, spectator parking, and vendors for food and event merchandise. Registered cruisers will receive an ID card in their registration packets to exhibit all week in their car's front window; this ID allows entry into the venues where reserved parking is available. A program with maps will also be part of the registration packet so cruisers can plan their individual schedules as this is an open cruise – events are scheduled and you decide which ones you are interested in attending. Our weeklong event includes cruise-ins, a Salute To Our Veterans event, car auction, swap meet, car corral, and a parade. Spectators are welcome and will find that our cruisers love to talk "old cars."

8,444 cars registered this year.

Our club's contingent of car enthusiasts were:

Helen & Larry Fortner Diana & Charles Mahaffey

Mary & Dennis Partlo Jan & Wendell Royster

1958 Chevy Biscayne for Sale

Hello Chevy enthusiasts...FOR SALE...beautiful 1958 Chevy Biscayne.

It really is a wonderful car in very well maintained...always garaged...and (mostly) original condition. We are the 4th Owner. Some of you probably saw it when the Hot Rod 100 a couple of years ago in Mt. Vernon.

So here it is:

Beautiful 1958 Chevy Biscayne with approximately 64K miles believed to be original (and based on the overall condition). Original 283 w/ automatic power-glide transmission. Dual Exhaust with glass-packs. Interior is in wonderful 3-tone original condition...body is also in great condition with a newer repaint in 2-tone Snowcrest White and Tropic Turquoise. All glass is in excellent condition and all windows open and function properly. Exterior and interior lights and gauges work.

Excellent running and driving condition. Original Wheels and oil breather go with the car.

Asking \$11,000 which I believe to be a fair asking price according to market value for similar 1958 Chevys in this great condition.

We really must sell this car and would love it if it could go to fellow Chevy enthusiasts who could really appreciate this 1 year body style piece of Chevrolet history.

We're in Mt. Vernon just 25 minutes west of Springfield off I44.

If you know someone who might be interested please forward this email.

For more information please call me at (417) 366-0030
