Priorities In Life----

Well once upon a time, seems like only yesterday, maybe it was yesterday; A friend bought a good used 1950 Studebaker Commander four door. Mr. Odie was very proud of his new purchase and drove over to Uncle Dorsey to take him for a ride. They drove over to Liberty Center, a small and peaceful town. While there they hit a large chuck hole and knocked the muffler nearly off. It was loud but they kept on going. As they drove around, because of a new noise ordinance, they were stopped by Officer Willis and since they looked like strangers, he asked them for some ID. They soon realized that they had left home in such a hurry there was no ID on either one of them, so off to jail they went. The town clerk looked at them strangely and with no ID said, "You have one phone call." Some 40 minutes later a young man came asking about Mr. Odie and Uncle Dorsey. The clerk said, "You don't look like a lawyer to me."

"Oh no sir, the men called me to bring them a pizza with everything on it."
