### Police Officers Memorial Day – Sunday May 15, 2022

Peace Officers Memorial Day is held annually in the United States on May 15 in honor of federal, state and local officers killed or disabled in the line of duty. It is observed in conjunction with Police Week.

#### Is Peace Officers Memorial Day a Public Holiday?

Peace Officers Memorial Day is not a public holiday. It falls on Sunday, May 15, 2022 and most businesses follow regular Sunday opening hours in United States.

#### What Do People Do?

Many people in the United States will pay tribute to officers who lost their lives or were injured in their jobs. According to Concerns of Police Survivors (COPS), about 140-160 officers are killed in the line of duty each year and their families and co-workers are left to cope with the tragic loss.

Many businesses and community members across the nation, especially those who lost family members, friends or colleagues who were local officers, will lower their flags in remembrance of law enforcement officers killed in the line of duty. Some police departments hold an annual law enforcement memorial ceremony on this day.

Each year, the Fraternal Order of Police and its Auxiliary organizes a national memorial service on the day, drawing thousands of people from many parts of the United States. The service is followed by the placement of a memorial wreath at the National Law Enforcement Officers Memorial in Washington DC. On this day, people are also reminded of the need to be vigilant against all forms of crime.

#### Public Life

Peace Officers Memorial Day is an observance but it is not a federal public holiday in the United States. Some people may take some time off work, such as an extended lunch

break if a memorial service is held at noon, to attend a memorial service on this day.

### Background

The idea of a Peace Officers Memorial Day came into effect on October 1, 1961, when Congress asked the president to designate May 15 to honor law enforcement officers. President John F Kennedy signed the bill into law on October 1, 1962. Each year, the president of the United States proclaims May 15 as Peace Officers Memorial Day and the calendar week of each year during which such May 15 occurs as Police Week.

According to the Legal Information Institute, the president is requested to issue a proclamation to: designate May 15 as Peace Officers Memorial Day; to direct government officials to display the United States flag at half-staff on all government buildings; and to invite state and local governments and the people to observe the day with appropriate ceremonies and activities.

### Website & Newsletter Updates

**Website Updates:** Our club newsletters are current through May, 2022. Membership Lists are current through May and are available in the website. The latest version of the list is May, 2022. Birthday and Anniversary List is also up to date. Both are available on the website on the members only page. The on-line member list is current, too.

The Bowtie editor searches for scheduled events in 2022. I have listed below what I have to date. Let me know if you come across any that are not listed.

The newsletter format has been altered slightly to segregate the club information that doesn't change each month. The final page outlines how to access the club website and delineates the framework of how the monthly email page is set up. In addition, the last page shows the officers names and contact information as well as the club mission statement.

### Newsletter Email Page

**Newsletter email page:** Usually, on the email page, there is a link to the newsletter attachment. Just the link to cruise-ins and car show flyers are in the club website and photo album are available this month. Complete schedule (that I know of) is on the website right now. ### ***SWMO Hot Rod 100 – April 16, 2022***

The route this year took the 192 cars from Willard, back down to the edge of Springfield (to allow us to cross Hwy 13), and took us through Fair Grove, Willard, Rogersville, Ozark, Highlandville, Ponce de Leon, Galena, and Crane. Plenty of scenery along the way. Some of the roads had a degree of difficulty tied to them like tour of Fair Grove hills and a one lane bridge in Ozark.

There were several members that traveled on the run. They were JJ & Mike Jennings, Pat & Dana Jennings, Tom & Barb Trosper, Mary & Dan Kuhn, Betty & Mike Crabb, and Yvonna Davis & Dave Walters.

The 193 cars seemed a little lower than I had guessed. I reached out to Bret Chrismer for an accurate count. He responded "We came into the day with about 170 on the registration list. After taking out the folks who were unable to make it, and adding in the "day of" registrations, I believe the number was 192."

Confusion reigned supreme when the tour entered Marshfield as the tour arrived at the Square. But luckily, we were able to navigate through the maze with the help of the signage below.

#### *Cruise to Marionville - April 23, 2022*

Our first cruise of 2022 was held on April 23, 2022. The weather was some of the best we have seen in awhile. We cruised the back roads to Alice & Irene's Restaurant in search of the mysterious white squirrels of Marionville.

The 40 club member entourage enjoyed the trip and lunch and left for home.

#### *Few Extra Words*

I never knew... DID YOU?

If any of you have ever been to a military funeral in which taps was played; this brings out a new meaning of it. Here is something Every American should know.

We in the United States have all heard the haunting song, 'Taps...' It's the song that gives us the lump in our throats and usually tears in our eyes.

But, do you know the story behind the song? If not, I think you will be interested to find out about its humble beginnings.

Reportedly, it all began in 1862 during the Civil War, when Union Army Captain Robert Elli was with his men near Harrison's Landing in Virginia. The Confederate Army was on the other side of the narrow strip of land.

During the night, Captain Elli heard the moans of a soldier who lay severely wounded on the field. Not knowing if it was a Union or Confederate soldier, the Captain decided to risk his life and bring the stricken man back for medical attention. Crawling on his stomach through the gunfire, the Captain reached the stricken soldier and began pulling him toward his encampment.

When the Captain finally reached his own lines, he discovered it was actually a Confederate soldier, but the soldier was dead.

The Captain lit a lantern and suddenly caught his breath and went numb with shock. In the dim light, he saw the face of the soldier. It was his own son. The boy had been studying music in the South when the war broke out. Without telling his father, the boy enlisted in the Confederate Army.

The following morning, heartbroken, the father asked permission of his superiors to give his son a full military burial, despite his enemy status. His request was only partially granted.

The Captain had asked if he could have a group of Army band members play a funeral dirge for his son at the funeral. The request was turned down since the soldier was a Confederate.

But, out of respect for the father, they did say they could give him only one musician.  
 The Captain chose a bugler. He asked the bugler to play a series of musical notes he had found on a piece of paper in the pocket of the dead youth's uniform.  
 This wish was granted.  
 The haunting melody, we now know as 'Taps' used at military funerals was born.  
 The words are:  
 Day is done.  
 Gone the sun.  
 From the lakes  
 From the hills.  
 From the sky.  
 All is well.  
 Safely rest.  
 God is nigh.  
 Fading light.  
 Dims the sight.  
 And a star.  
 Gems the sky.  
 Gleaming bright.  
 From afar.  
 Drawing nigh.  
 Falls the night.  
 Thanks, and praise.

For our days.  
 Neath the sun  
 Neath the stars.  
 Neath the sky  
 As we go.  
 This we know.  
 God is nigh  
 I too have felt the chills while listening to 'Taps' but I have never seen all the words to the song until now. I didn't even know there was more than one verse. I also never knew the story behind the song and I didn't know if you had either so I thought I'd pass it along.  
 I now have an even deeper respect for the song than I did before.  
 Remember Those Lost and Harmed While Serving Their Country.  
 Also Remember Those Who Have Served and Returned;  
 and for those presently serving in the Armed Forces.

#### JULY MEETING WRAP-UP

For those of you who missed the July meeting, here is a short summary of the business that was conducted:

1. Karen Bradley gave the treasurer's report which included the fact that we came out almost exactly \$200 in the black on our fun run.
2. Avery read a letter from Mike Compton and Doug Morehead about the new plaques for award winners at the National and Mini-national Conventions. The letter also stated that anyone scoring more than 850 points will receive an award of excellence. They also asked for trophy sponsors for the conventions. A motion was made, seconded, and passed to sponsor a trophy.
3. Avery made a short announcement about the club banquet to be held on August 29th, 1981, and urged everyone who possibly could to attend the banquet.
4. Myrtle St.John made a suggestion about discussing our annual hayride. Wendell said that the KOA Campground would host a hayride for 50¢ more per person than we are paying for our banquet. Suggested dates for the hayride were the 12th, 19th, or 26th of September. The club voted to have Wendell and

1.

Myrtle make the arrangements for one of those dates.

5. Myrtle made a suggestion about the club going to Hydra-Slide as a club outing. The date suggested was August 15th. A motion was made, seconded, and passed to have a club outing at the Hydra-Slide water slide at 8 p.m. on August 15th. The cost will be approximately \$3 per person for one hour.

6. A motion was made, seconded, and passed to use the plaques that were left over from our fun run as awards at our banquet instead of the printed certificates we had previously voted for.

7. A motion was made., seconded, and passed to buy a cover for the club trailer.

8. Avery reminded everyone that next month is the meeting at which we elect new club officers for the coming year.

9. A motion was made, seconded, and passed to hold the August meeting at the Ash Grove, Mo. City Park. The meeting will be at the regular time, 4 p.m. on August 30th, 1981.

10. Meeting was adjourned.

#### CLUB BANQUET

Just a little notice to remind everyone that the annual club banquet will be held on Saturday evening, August 29th, at 6 p.m. We will meet at the Heritage Cafeteria on Sunshine, just east of Campbell, to have our meal. We will then procede to the KOA Campground just west of Springfield where we will have our dance, presentation of awards, and other activities.

Remember, the club is paying all the costs at the campground except for the cost of bringing your own bottle if you want. There is a large canopy type building at the campground for our dance, and we will have exclusive use of all the facilities except the swimming pool.

Our annual banquet is one of the more important of our club functions, when we try to recognize some of our members who may have contributed a little extra to the club during the past year, so please try to be there.

### CCCI NATIONAL CONVENTION

As you all know, the Classic Chevy Club International Convention was held at Dearborn, Michigan, the second week of August. The classic Chevy Club of Springfield was represented at the convention by three of our members, Avery and Karen Bradley, Jan and Wendell Royster, and Claude and Karen Rodrique.

From the conversations I have had with Claude and Karen and Wendell, it sounds as if they all had a real good time and kept pretty busy during the week. They said that there were almost 800 cars there, which must have been a great sight. As an added surprise, the tours which had been cancelled by General Motors were re-instated, and the people at General Motors were very co-operative and also very supportive.

As I said before, we had three representatives to the convention, and all three represented us very well. Avery and Karen's '56 won the third place plaque in the Contemporary class, Claude and Karen's '55 won a Silver Certificate for scoring over 900 points on the judging, and Jan and Wendell's '55 Cameo won a Bronze Certificate for scoring over 850 points.

In addition to the certificate they won at the Convention, Claude and Karen attended a run in Nashville on their way home, and they picked up a third place trophy in their class at that run.

### WICHITA LEADSLED CONVENTION

The first annual Kustom Kamps of America "Lead-sled Convention" was held in Wichita, Kansas, the weekend of August 7th, 8th, and 9th. The Kustom Kamps Club is for all cars and trucks from 1935 vintage to 1960, which have been customized, most of them radically, just as they did in the '50s and '60s.

Dave and Faye McHenry, Dave's Father, Gene and Wilma Wright, Kenny Hurley, and Dave Marek attended the show, and believe me, it was quite a sight to see. There were about 500 Kustoms in attendance, some from as far away as New York, California, and Louisiana.

One of the more prominent people there was none

other than George Barris, known as the "King of the Customisers". Several of his old creations were there along with some of his latest efforts. Another high point of the Convention was the old Rod and Custom Magazine "Dream Truck" which was built several years ago and was destroyed in an accident on it's way to one of it's first showings. It has just recently been rebuilt.

Of the 500 or so cars there, by far the biggest contingent was the '49, '50, and '51 Mercury. Most of them had chopped tops and sat about 2 inches off the ground. The remainder of the field was made up of just about any year and make of car that you can imagine, also setting right on the ground. There were also some of the nicest, and wildest, paint jobs I have ever seen, as well as some outstanding custom interiors.

The citizens of Wichita must have wondered what was going on that weekend when they saw all those old style "leadsleds" cruising around town, especially with most of the occupants dressed in '50s style dress. If it hadn't have been for the gas prices you could have sworn it was a Saturday night in the early 1960s.

#### KING PIZZA CAR SHOW

Mr. Tracy Gerlach, owner of King Pizza, called me the other evening and asked me about the possibility of some of the members of our club to participate in a small car show he is having. Since I didn't know about it at the last meeting, and it takes place before our next meeting, I am telling everyone about it in the newsletter.

The show takes place on Saturday, August 29th, from 10 a.m. to 5 p.m.. I told him that it was the same day as our club banquet and he said that it would be okay if we left the show about 3 or 3:30 p.m. K-Mart on east Kearney has donated part of their parking lot for the show and he said there would be security there for the cars.

Mr. Gerlach said that he will have free pizza for anyone who shows their car and he would also have a keg of beer available to the participants. I have talked to several of the club members and most of them have told

## Classic Chevy Car Club Newsletter Archive – August, 1981

me that they would be there if possible.

Two other local clubs have been contacted and are going to show some of their cars, and since King Pizza donated some free pizzas and soft drinks for door prizes at our fun run, I hope that all of you that can come out will show up to help Mr. Gerlach and to show our appreciation.

### WICHITA MINI-NATIONALS

Several members of the Classic Chevy Club of Springfield travelled to Wichita, Kansas, the week of August 17th-20th for the Classic Chevy Club International's Mini-National Convention, and everyone who went brought back one of the new plaques the national club is now giving at all their affairs.

Avery Bradley, Bud Janes, Gene and Wilma Wright, Kenny Hurley, Kim and Sherri Bradley, and Donnie and Sylvia White all took their classics to Kansas and joined the approximately 180 cars for the convention.

From the talks I have had with most of those who went, they had a real good time, and from the sound of things, they must have just about bought out the parts room.

When it came time to hand out the plaques, Avery Bradley got a 1st in his class, Gene Wright got a 2nd place, Bud Janes got a 2ndplace, Kim Bradley recieved a 1stplace, and Donnie White brought home a 1st place plaque.

### A REMINDER

I'm sure most of you already know, but I will remind you anyway -

The annual club banquet takes place on Saturday evening, August 29th, starting at 6 p.m. at the Heritage Cafeteria on west Sunshine at Campbell for the meal, then moving to the KOA Campgrounds west of Springfield for all the other activities.

All Dues are due at the regular monthly meeting to

## *Classic Chevy Car Club Newsletter Archive – August, 1981*

be held on August 30th at 4 p.m. The meeting is to be at the Ash Grove City Park located right next door to Avery Bradley's house in Ash Grove.

This is also a very important meeting because the election of new officers for the coming year will be held. We need to have all members of the club who can possibly be there to attend to voice their opinions and cast their votes for whomever they think will best represent the club and the club members during the coming year.

## *Cruise to Marionville – April 23, 2022*

Marionville has had white squirrels since the 1800s according to Doris Rapp, the town's former mayor. How the squirrels got there, she said, remains a mystery. Rival theories contend that either a breeding pair escaped from a traveling circus, or that a local scientist named Flournly genetically created them.

Doris, author of a history of Marionville, told us the story of how Olney, Illinois, reportedly got its white squirrels from Marionville by unscrupulous means. "I talked to an older gentleman -- been in town all his life -- and he said that back in the 1930s a pair of scoundrels in Marionville trapped a pair, kidnapped them, and sold them to Olney."

Doris said that she had a 1913 Marionville college yearbook photo with white squirrels in it, proving that Marionville had them first. She hoped, however, that the white squirrels of both towns would someday get together and have children, putting the rivalry to rest.

To prevent any further squirrel napping, Marionville slaps a \$500 fine on anyone caught trying to trap or sell a white squirrel. "We tried to increase it \$1,000," said Doris, "but the state said it was unconstitutional."

## *Cruise to Marionville – April 23, 2022*

### **2022- Updated Route**

**WHAT:** Cruise to Marionville (home of the white squirrel) and Alice Irene's Restaurant

**WHEN:** April 23, 2022

**WHERE:** Meet at the Marco's Pizza in Nixa

**10:30 a.m.** (This is leave time. Please be there 10 minutes prior.)

This cruise will be a leisurely 35 mile jaunt along scenic back roads to Marionville and Alice Irene's Restaurant.

Marionville is home to one of only a few known colonies of white squirrels. We will cruise through several blocks of older homes in Marionville and hope we are lucky enough for a sighting. Afterward the restaurant will be seating us in the private dining room where a buffet of Fried Chicken and Pork Roast, with all of the trimmings, will await us. Be sure and save room for the fruit cobbler!

The buffet, which includes the meal, beverage and dessert, will be \$10.75 per person which does not include tax or tip.

Please sign up for the cruise no later than April 14th.
