

CLASSIC CHEVY CLUB

SPRINGFIELD, MISSOURI

JANUARY, 2022

Bowtie Newsletter

Classic Chevy Club was formed in 1975 for the enjoyment, preservation, and restoration of Classic Chevy's. Members need not own a car, but a sincere interest is requested.

Editor's Notes

This month, Snoopy and Woodstock celebrate the New Year by toasting a root bear.

Stay safe and warm.

Now back to the regularly scheduled newsletter.

I Never Knew

POPEYE THE SAILOR MAN - WHO KNEW?

His real name was Frank "Rocky" Fiegel.

He was born in 1868 in Poland and, as a child, immigrated to the United States with his parents, who settled down in a small town in Illinois.

As a young man, Rocky went to sea. After a 20-year career as a sailor in the Merchant Marines, Fiegel retired.

He was later hired by Wiebusch's Tavern in the city of Chester, Illinois, as a 'Bouncer' to maintain order in the rowdy bar.

Rocky quickly developed a reputation for always being involved in fighting (and usually winning). As a result, he had a deformed eye ("Pop-eye").

He also 'always' smoked his pipe, so he always spoke out of one side of his mouth.

In his spare time as a Bouncer, Rocky would entertain the customers by regaling them with exciting stories of adventures he claimed to have had over his career as a sailor crossing the 'Seven Seas.

The creator of Popeye, Elzie Crisler Segar, grew up in Chester and, as a young man, met Rocky at the tavern and would sit for hours listening to the old sailor's amazing 'sea stories.'

Years later, Segar became a cartoonist and developed a comic strip called 'Thimble Theater.'

He honored Fiegel by asking if he could model his new comic strip character, 'Popeye the Sailor Man,' after him. Naturally Fiegel was flattered and agreed.

Segar claimed that

'Olive Oyl,' along with other characters, was also loosely based on an actual person. She was Dora Paskel, owner of a small grocery store in Chester.

She apparently actually looked much like the Olive Oyl character in his comics.

He claimed she even dressed much the same way.

Through the years, Segar kept in touch with Rocky and always helped him with money; giving him a small percentage of what he earned from his 'Popeye' illustrations.

WHO didn't love the cartoons??? We watched them religiously ... so funny, so moral ... each story had a good ending ... wonder if kids these days even KNOW who Popeye is??? Who knew he was a real man?? Awesome!!!

Epiphany – January 6, 2022

Epiphany, commonly known as 'Three Kings' Day in the United States, is on January 6. It celebrates the three wise men's visit to baby Jesus and also remembers his baptism, according to the Christian Bible's events. The United States (US) Virgin Islands observe the day as a public holiday.

Is Epiphany a Public Holiday?

Epiphany is not a public holiday. Businesses have normal opening hours.

Epiphany is a public holiday in the US Virgin Islands. Old colonial church in Charlotte Amalie.

Epiphany is a public holiday in the US Virgin Islands. Old colonial church in Charlotte Amalie.

What Do People Do?

People from the US Virgin Islands celebrate 'Three Kings' Day to emphasize and maintain their heritage and culture, especially on the island of St Croix where the day features parades, bands, food, music, and other types of entertainment. Although it is not a public holiday in other parts of the United States, many Christians take part in Epiphany activities such as:

Star processions on the Sunday closest to January 6 for church services

Parties or get-togethers to clean up homes after the festive season and put away Christmas decorations.

Treasure hunts to find a figure of the Christ child.

Epiphany luncheons, parties and celebrations among churchgoers.

And Sunday school activities for children that focus on Epiphany, such as creating the star that led the wise men to Bethlehem.

Epiphany marks the beginning of the Mardi Gras season in Louisiana. It is customary to bake king cakes during this time of the year. These cakes may include a small trinket (such as a baby doll) inside. The person who gets the piece of cake with the trinket receives various privileges or obligations. For example, they may be requested to provide the next king cake. The interval between Epiphany and Mardi Gras is sometimes known as "king cake season".

Public Life

Epiphany is a public holiday in the US Virgin Islands so shops, government offices and businesses are closed. Some businesses may close early the day before the holiday. It is not a federal public holiday in the rest of the United States.

Background

Epiphany is one of the oldest Christian feasts. It was celebrated since the end of the second century, before the Christmas holiday was established. It is commonly known as Twelfth Night, Twelfth Day, or the Feast of Epiphany. It means “manifestation” or “showing forth”. It is also called Theophany (“manifestation of God”), especially by Eastern Christians. Epiphany also refers to the church season that follows the day.

It commemorates the first two occasions on which Jesus’ divinity, according to Christian belief, was manifested: when the three kings visited infant Jesus in Bethlehem, and when John the Baptist baptized him in the River Jordan. The Roman Catholic and Protestant churches emphasize the visit of the Magi when they celebrate the Epiphany. The Eastern Orthodox churches focus on Jesus’ baptism.

Symbols

Various paintings, artworks and sketches show the three wise men and Jesus. Some paintings artworks show the three wise men on the way to Bethlehem or adoring baby Jesus. The kings are important because their visit illustrates that Jesus was the king of all kings who came for the Jews and the Gentiles.

The star that guides the wise men to Christ also symbolizes Epiphany, as well as the three gifts they gave to Jesus: gold (fit for a king); frankincense (used to worship at a temple); and myrrh (used for embalming, as well as a salve for irritations such as diaper rash). Other paintings depict the story of Jesus’ baptism. Many Orthodox churches consider Jesus’ baptism to be the first step towards the crucifixion. The liturgical color for the Epiphany season is white.

From the Editor: The Bowtie Editor is always looking for ways to improve the format and content of the newsletter. Any comments are welcomed. News about past (participants/trophies) happenings, upcoming car shows, or events are certainly appreciated.

Special Editor Note: It is getting more and more difficult to keep track of local car shows and events. Dates can be canceled, postponed, or moved with very little notice. Please let Melinda or me know of any changes you come across, so we can keep the schedule list up to date.

Thanks.

Website Updates

Website Updates: Our club newsletters are current through January, 2022. Membership Lists are current and are available in the website. The latest version of the list is November, 2021. Birthday and Anniversary List is also up to date. Both are available on the website on the members only page. The on-line member list is current, too.

If you see something that should be changed or added, let the editor know.

The Bowtie editor searches for scheduled events in 2022. I have listed below what I have to date. Let me know if you come across any that are not listed

Newsletter Email Page

Newsletter email page: Usually, on the email page, there is a link to the newsletter attachment. Just the link to cruise-ins and car show flyers are in the club website and photo album are available this month. Complete schedule (that I know of) is on the website right now. January schedules are in the newsletter.

Nixa Christmas Parade – December 5, 2021

The Nixa Christmas Parade was held on Sunday, December 5, at 2 p.m.

For those who participated from the club, they met at Braum's and caravanned to the Nixa Rec Center. The parade was staged there and motored through the prescribed route around city park.

Participants threw candy and trinkets to the spectators. They were Larry & Helen Fortner, Melinda & Jess Owen, Barb & Tom Trospen, Pat & Dana Jennings, and Brent Forgey. Mary & Dan Kuhn and Yvonna Davis & Dave Walters were spectators and candy gatherers.

Parade participants decorated their classic vehicles and floats with the theme for the parade this year "Rockin' Around the Christmas Tree."

Lyrics

Rockin' around the Christmas tree
At the Christmas party hop
Mistletoe hung where you can see
Every couple tries to stop
Rockin' around the Christmas tree
Let the Christmas spirit ring
Later we'll have some pumpkin pie
And we'll do some caroling

You will get a sentimental feeling when you hear
Voices singing, let's be jolly
Deck the halls with boughs of holly
Rockin' around the Christmas tree
Have a happy holiday
Everyone dancin' merrily
In the new old-fashioned way

MARCH MEETING WRAP-UP

For those of you who weren't able to attend the club meeting held on March 29th, here is a short summary of the business conducted:

1. Avery read a thank you card from Sharlotte Leppert, a list of cars for sale in Illinois, a letter about Chevy banners for sale, a letter about Silver Anniversary belt buckles for sale, and a letter from a Florida man wanting air conditioning parts.
2. The club took up a collection and presented it to Bill and Leesa Pendleton as a baby gift.
3. Due to a great difference in the price of the 50's party and the price the club voted on earlier in the year, we re-discussed the plans for the party and a motion was made and passed to table the plans untill later in the year.
4. Avery announced that the band and management at Wild Bill's Place offered to feature 50's and 60's music on the Friday night of our fun run at no expense to the club.
5. Dave Marek offered to trade amplifiers with the club since his had an 8-track player/recorder and is

1.

comparable in power to the club's amplifiers. The offer was accepted by the club.

6. The music committee was authorized to purchase blank 8-track tapes to record music to use with the club's equipment on runs, etc.

7. A motion was made to move the April meeting up one day to Saturday, April 25th at 6 p.m. due to a run at Pittsburg, Kansas on the 26th.

8. New Club caps were made available to the members at \$3.75 each. There are also some Children's sizes available at the same price.

IMPORTANT NOTICE

As reported earlier in the club meeting wrap-up, the April club meeting has been changed to Saturday, April 25th at 6:00 in the evening at Phelps Grove Park. This move was agreed on by the club so that several of the members who wanted to could attend a run at Pittsburg, Kansas on Sunday. There were also conflicts on both the preceeding and the following weekends, so we decided to try it on Saturday.

RED BARN TRIP AND CLUB MEETING

Except for the exceptionally strong gusty winds, the club trip to the Red Barn Resteraunt near Greenfield, Mo. was a very enjoyable one. The weather was very nice and the food was excellent, as usual. A total of 21 of the club's members made the trip, with a caravan of 12 or 13 beautiful classics making the trip. To top the day off in grand style, we added 4 new members to the club.

As usual, Charles Hembree graciously invited everyone for free ice cream or cokes at his Dairy Isle after the meeting.

FUN RUN COMMITTEE MEETING. - Thursday evening, April 23rd, 7:00 p.m. at McDonalds on east Battlefield. Anyone who wants to help, please come. Remember, it's not all that long till our fun run and it's going to take a lot of effort from all of us to put on this run and do it right.

SHADE TREE VIEWS (FROM ASH GROVE)

As you can see from the list of runs and activities listed in the newsletter this month, the show and swap meet season is starting to get well underway. A lot of the people in the club take part in these activities around the midwest, but I would like to see a lot more of our members turn out for some of these events.

I know that the cost of gas, and everything else, is going up all the time. But all these things are going to be just that much higher next year. I also know that a lot of us have other things we have to do, but I think that if you ever made arrangements to go to one of these events you would see just how much fun they are.

I honestly believe that our club is one of the best in the country and I know we have some of the finest cars in the midwest, and I think we should show them off as much as possible.

Also, the plans are almost complete for the Fun Run we are hosting in July, and Wendell and the rest of the committee will be needing a lot of help in preparing for the run as well as during the event, so please contact Wendell or attend the meetings he has so that we can make this run as successful as the regional we had last year, one that we can really be proud of as a club.

Thanks, Avery

CLUB TRAILER UPDATE

Well folks, believe it or not, the club trailer that we started several months ago has reached the final stages of construction.

Despite several highly technical design changes during the construction phases of the project, the frame has been completed and the wood and metal panels have all been cut to fit. All that remains now is to fasten the panels in place and paint the thing.

A lot of time was lost in the construction of the trailer when many high level design meetings were held to discuss such important matters as which side of the trailer to put the hinges on, whether or not to put

hinges on the tailgate, whether to use flexible or rigid conduit for the wiring, and last but not least, a decision had to be made on the color of the vinyl to cover the top with.

The importance of these meetings becomes very evident when you stop to think how many times the technical team for the project got caught up in the many variations of the design and their meetings went on late into the night.

Many outside contractors were consulted during the initial construction of the vehicle, including Nuts-and-Bolts who made a determination as to the proper length and number of threads per inch for the fasteners to hold the panels in place. Fimco Steel was consulted several times for suggestions as to the right length, width, and thickness for the framework to hold the panels in place during the passage of the vehicle through the atmosphere.

A local expert was consulted as to the proper exterior and interior protective coatings for use in various applications planned for the vehicle.

It now looks as if all those consultations will result in a superior design, both in appearance and usefulness of the vehicle. After some initial testing, the first full-scale practical test of the trailer will take place over the Memorial Day weekend fun run to St. Joseph, Mo. Further trips are planned for the vehicle depending on the results of this first true test of the basic design and construction of the trailer.

Several members of the Classic Chevy Club of Springfield are expected to accompany the first voyage of the new trailer and whichever tow vehicle is selected for it's maiden voyage.
