### Trinity Sunday – Sunday June 12, 2022

Trinity Sunday is the first Sunday after Pentecost and is celebrated by many Christians in the United States. It is one of the few feasts that are celebrated as a doctrine instead of an event. It is also symbolic of the unity of the Trinity.

#### Is Trinity Sunday a Public Holiday?

Trinity Sunday is not a public holiday. It falls on Sunday, June 12, 2022 and most businesses follow regular Sunday opening hours in United States.

Many Christian churches have special prayers on Trinity Sunday in the United States.

#### What Do People Do?

On Trinity Sunday many Christians in the United States remember and honor the belief of an eternal God, consisting of the Father, Son and Holy Spirit. Many churches have special prayers on Trinity Sunday. The Athanasian Creed, named after St Athanasius, Archbishop of Alexandria, is recited in some churches on Trinity Sunday because of its strong affirmation of the Triune nature of God.

Churches and choirs across the United States have planned special activities and events centered on Trinity Sunday. These include:

Choral vespers concerts.

Special church services focusing on the Holy Trinity and featuring music by the trumpet and the pipe organ.

Special awards given at Trinity Sunday church services.

Meals and social events after church services.

Evensong services.

The ordinal Sundays following Trinity Sunday are focused on Christian growth and discipleship after a long period of emphasis on the life and ministry of Jesus. In the Eastern Orthodox and Eastern Catholic churches, the Sunday of Pentecost itself is called Trinity Sunday.

## Public Life

Trinity Sunday is not a federal holiday in the United States.

### Background

Pope Gregory IX instituted Trinity Sunday in 828 CE. This day is notable for being the only major Christian festival that celebrates a doctrine of the church rather than an event in its sacred history. It is dedicated to the Christian belief in the Trinity – Father, Son and Holy Spirit – and falls on the Sunday following Pentecost each year. The belief of one God in three elements is a distinctive of the Christian faith but the early church was plagued by contrary views. Trinity Sunday spread throughout the western church around the 14th century.

### Symbols

In some churches, the liturgical color is white on Trinity Sunday. Images of the Trinity of the Father, Son and Holy Spirit depict that there are three elements of one God. The Trinity is sometimes symbolized by a triangular shape formed by three overlapping oval rings or loops, each featuring the one of the following images: the crown (father) within the top loop; the lamb (son) within the second loop (clockwise); and the dove (spirit) within the third loop (clockwise). Other shapes depicting the Trinity include Borromean rings and the triquetra.

The Borromean rings feature three overlapping round circles forming a triangular shape, and in the center, inside all the circles is the word "unitas". The Borromean rings are named after the crest of the Borromeo family in 15th-century Tuscany. The triquetra symbol uses shapes similar to one of the oldest Christian symbols. In the triquetra, the three equal arches of the circle express the equality of the Father, Son, and Holy Spirit. The union of the arches represents the unity of the Godhead. Their continuous form symbolizes eternity. Their interwoven appearance denotes the indivisibility of the Trinity. In the center of the triquetra is an equilateral triangle, one of the most ancient Trinity symbols, and each pair of arches formed an ellipse, the symbol of God's glory.

### Website & Newsletter Updates

**Website Updates:** Our club newsletters are current through June, 2022. Membership Lists are current through June and are available in the website. The latest version of the list is June, 2022. Birthday and Anniversary List is also up to date. Both are available on the website on the members only page. The on-line member list is current, too.

If you see something that should be changed or added, let the editor know.

The Bowtie editor searches for scheduled events in 2022. I have listed below what I have to date. Let me know if you come across any that are not listed.

The newsletter format has been altered slightly to segregate the club information that doesn't change each month. The final page outlines how to access the club website and delineates the framework of how the monthly email page is set up. In addition, the last page shows the officers names and contact information as well as the club mission statement.

### Newsletter Email Page

**Newsletter email page:** Usually, on the email page, there is a link to the newsletter attachment. Just the link to cruise-ins and car show flyers are in the club website and photo album are available this month. Complete schedule (that I know of) is on the website right now. *Midwest Muscle Car Show, May 7, 2022*

Midwest Muscle Car Show took place on May 7 in the morning. The event took over the parking lot next to the Life Church on Republic Road. Approximately 220 were cars in attendance. Most of the cars were late model muscle cars (80% I'd say). But they welcomed all makes and models. Yvonna Davis and Dave Walters were the only car club members attending. We snuck out early to join the Steak n Shake crowd.

They had a "day of" overhead shot of the parking lot on Facebook that I posted in the photo gallery.

### *Albert Einstein's New Suit*

When Billy Graham was 92 years-old, he was struggling with Parkinson's disease. In January a month before his 93rd birthday, leaders in Charlotte, North Carolina, invited their favorite son, Billy Graham to a luncheon in his honor. Billy initially hesitated to accept the invitation because of his struggles with Parkinson's disease. But the Charlotte leaders said, 'We don't expect a major address. Just come and let us honor you.' So, he agreed.

After wonderful things were said about him, Dr. Graham stepped to the rostrum, looked at the crowd, and said:

"I'm reminded today of Albert Einstein, the great physicist who this month has been honored by Time magazine as the Man of the Century. Einstein was once traveling from Princeton on a train, when the conductor came down the aisle, punching the tickets of every passenger. When he came to Einstein, Einstein reached in his vest pocket. He couldn't find his ticket, so he reached in his trouser pockets.

It wasn't there. He looked in his briefcase but couldn't find it. Then he looked in the seat beside him. He still couldn't find it.

"The conductor said, 'Dr. Einstein, I know who you are. We all know who you are. I'm sure you bought a ticket. Don't worry about it.'" Einstein nodded appreciatively. The conductor continued down the aisle punching tickets. As he was ready to move to the next car, he turned around and saw the great physicist down on his hands and knees looking under his seat for his ticket.

"The conductor rushed back and said, 'Dr. Einstein, Dr. Einstein, don't worry, I know who you are; no problem. You don't need a ticket. I'm sure you bought one.' Einstein looked at him and said, 'Young man, I too, know who I am. What I don't know is where I'm going.'"

Having said that Billy Graham continued, "See the suit I'm wearing? It's a brand-new suit. My children, and my grandchildren are telling me I've gotten a little slovenly in my old age. I used to be a bit more fastidious. So, I went out and bought a new suit for this luncheon and one more occasion. You know what that occasion is? This is the suit in which I'll be buried. But when you hear I'm dead, I don't want you to immediately remember the suit I'm wearing. I want you to remember this:

"I not only know who I am. I also know where I'm going." May your troubles be less, your blessings more, and may nothing but happiness, come through your door. "Life without God is like an unsharpened pencil - it has no point." May each of us have lived our lives so that when our ticket is punched, we don't have to worry about where we are going.

## *Classic Chevy Car Club Newsletter Archive – September, 1981*

Hello, Classic Chevy Members! I'm Don White, your new Newsletter editor. As your editor, I hope to keep the Newsletter as interesting and informative as it has been in the past. I would like to thank Dave Marek once more for the fine job he has done this past year. Thanks again, Dave!

As your editor, I would like to take this opportunity to get to know everyone in the club a little better. Some of you are old acquaintances, but some of you I've never even met. Let's get to know each other soon.

A little more about my plans for the year. The Newsletter will be kept basically the same in size and content. I want to have an editorial each month covering different subjects. (That is if I don't run out of things to talk about!) We will continue the President's Page with his thoughts, ideas and information. We will still cover all the events and meetings our club participates in. Although it won't be in this month's Newsletter, we will continue the Member of the Month section.

Next month I would like to start a Member's Comment section. This area will be for all members to express your ideas and thoughts. Please use it! And providing enough interest is shown, there will be another new addition, "Parts for Sale or Wanted". (cont.)

#### ST. LOUIS "GATEWAY FUN RUN"

September 4, 5, and 6 were the dates of the second annual St. Louis Gateway Fun Run. This year's event was held at the very accomodating Holiday Inn, and sponsored by the Fabulous Fifties Club.

Several members of our club made this run, and I believe all had a very good time. Those who went, besides myself, were Bud Janes, Gene Wright, Kenny Hurley, Wendell and Jan Royster, Bob and Robin Goss, Kim and Cheri Bradley, Avery and Karen Bradley, Greg and Marilyn Sweet, Claude and Karen Roderique, Charles and Neal Criswell, and guest Archie and Pam Griffin. Three minutes before registration ended, Bill and Carol Nemsick arrived. Our club took ten cars and over thirty members and guests attended--a very good turn out from us. (cont.)

## *Classic Chevy Car Club Newsletter Archive – September, 1981*

About fifty cars were registered for the Show and Shine. They were judged by the St. Louis club, who kept their cars out of competition this year. The quality of cars in this show was very impressive, and all the classes were tough. When it came time for the awards presentation, our club did very well, collecting five 1st place awards, three 2nd place, two 3rd place, the Club Participation award and the Best Overall Paint award. (A few members of our club competed in a game of volleyball, but unfortunately, we didn't receive the trophy for that. More about the game later.)

The awards were as follows:

First Place 55 Restored - Bill & Carol Nemsick  
Second Place 55 Restored - Bud Janes  
First Place 56 Restored - Avery & Karen Bradley  
Third Place 57 Restored - Charles & Neal Criswell  
First Place 55 Unrestored - Kim & Cheri Bradley  
First Place 56 Semi-modified - Kim & Cheri  
Bradley  
Second Place 56 Modified - Bob & Robin Goss  
Second Place 55 Semi-modified - Claude & Karen  
Roderique  
Third Place Truck - Wendell & Jan Royster  
First Place 55 Semi-modified - Don & Sylvia  
White  
Best Paint Award - Don & Sylvia White

(cont.)

About those trophies: they were the best I've seen at any run, national or otherwise. And the door prizes they gave away were enough to make the trip worthwhile in itself. About everyone won a nice prize.

The Fabulous Fifties Club did an excellent job with their Labor Day Fun Run. On behalf of our club, I would like to thank and congratulate all of them. We will be back next year!

#### JUST FOR FUN

Several of the members from our club who attended the St. Louis run entered in some hot competition with the River City Classics of Evansville, Indiana. The game was volleyball, and since the other team was much smaller, it looked like the Classic Chevy Club was finally going to win one. As the five members, Claude Roderique, Kim Bradley, Bud Janes, Greg Sweet, Bob Goss, and guest Archie Griffin began to play, it went their way right off: 2-0, 4-0. No problem, they were rolling. Then something happened. Whether it was the judges arguing over calls (they couldn't agree on anything!) or our team rotating positions, things started going wrong. They were up 4-0, it went 4-2. They tied 4-4. It was 4-6, then 5-7, then 5-12, River City's favor. What was wrong?

(cont.)

They couldn't even buy a point! It was 5-13, then 5-15....our team lost, needless to say.

After the game, I talked to a few of our players, and we figured out the problem: the net was too high and the boundries were too close in....right guys?

By the way, the Heart of America Club from Kansas City went on to win First Place and a nice trophy at the awards presentation.

#### PRESIDENT'S PAGE

For a start, I have to thank you for the office and the support I had in the Fun Run and during the year before in office. I accept it on the hope of a full year of people sharing the enjoyment of a classic. Regardless of its state or if you even have one. Point being, we all share a love for a great era of auto building, life, and thrill.

The joy and smiles I see from the public every time a number of classics get together is overwhelming.

This club may not have a large bank roll as some, or as many members, but I don't know of any within several hundred miles that are ahead of us on membership.

Don't pat me, pat yourself on the back. You are what makes a club. People sharing and caring together. There is not a thing this club

can't do. There is not a car or a club event I have seen anywhere we can't match or, in many cases, exceed in quality.

I really feel we have got some of the best people a club could have and I don't want this club to ever sell itself short. We have got the best Banner in the Nationals and members to match.

-Wendell Royster-

#### CLUB CAR PICTURES

If you want your car pictured in the national magazine along with the rest of the club cars and haven't had a picture taken of it yet, contact Claude Roderique at our next meeting or give him a call at 887-9647 to make arrangements. This will probably be your last chance. Don't miss out!

#### BUYING OR SELLING?

Next month's newsletter will have a parts for sale and wanted section. If you would like to sell parts or advertise for something you need, let Don White know at our next meeting. It would be handy if you could make your own list.

#### CORRECTION

At our club banquet, it was announced that

(cont.)

Bud Janes had won the most devoted membership award. Move over a little Bud, because Dave Marek actually tied you for this award.

Congratulations to both you guys for your near perfect attendance in about all of our events and meetings.

By the way, Dave, there will be an award forthcoming for you, too.

#### NOTICE

The Newsletter was mailed to all members on my mailing list this month. However, next month it will be mailed only to those members who have paid their dues for this year. So pay those dues and keep up on what's happening!
